EDITORIAL

We're not content with just bringing you the hottest girls in the world every month, we like to delve into their lives a bit as well. But does that matter to you, the reader? Do you even read that bit? Do you care what the lasses favourite colours are, or why such and such model called her cat 'Petal'? Well, we do, which is why we ask them but, let's be honest, it's also because we like hearing their voices. And we try our best to get them to say rude things. Some play ball, some leave us hanging. Good job they can't tell we're naked at our end of the call...

Dear Club,

I've been an avid reader of yours for years, which some might think strange, seeing as I'm a woman. But sitting down with a fella and flicking through an issue gets me into a right horny state. Firstly I'd like to congratulate the stunning Amy Green from Vol.44 No13, who smouldered away. Plus Brookie Little really grabbed the front cover and yes please my fella and I would both like to unwrap her that's for sure! Putting that brilliant issue aside, I thought I'd write into to tell you a cheeky story that occurred recently when I took a new job.

When I first started working for a well-known high street chain of coffee shops, I thought my duties wouldn't stretch any further than making cappuccinos and serving the odd croissant. That was the case until Mr Rice came along.

He was a good looking guy, young, fit and tanned, and immediately the subject

of intense speculation. It was only when he asked me to work some overtime that I got to know him more intimately...

'Call me Alan,' he said as he led the way to the back office. As he slipped his jacket off and loosened his tie, I felt a faint trickle of dampness in my gusset. His back was broad and muscular, he gave off a strong scent of musk, and was simply built for sex. When he sat down at his computer to show me the latest products, I couldn't help but notice him staring at my breasts.

Now I wouldn't say I'm a big girl, but I'm proud of what I've got, and when I'm aroused, my nipples seem to have a life of their own.

So when he invited me to look at pictures of the new line of muffins, and I bent down beside him and felt his breath on my neck, it was all I could do to keep my hands to myself. I wanted to feel the obvious bulge in his trousers, so when he suddenly stood up and brushed against me, I couldn't stop my hand from 'accidentally' touching his bum.

He turned, smiled a knowing smile, and said "Of course you must know that

fraternization between workers is frowned upon." Then he looked at his watch and said, "But I suppose, technically, we're not at work anymore," and with that he reached up and put his hands on my shoulders, and began to give me a gentle massage.

The coffee shop uniform was a light cotton dress with poppers up the front, it was the height of summer, so apart from my thong, I was naked beneath it. So when he took hold of my lapels and started to pull them apart, my breasts were ready for him, and as they popped out he sighed with pleasure. I tweaked the nipples to bring them to their hardest, then pushed them invitingly towards his mouth.

He sucked me greedily as if he hadn't seen anything like them before, and as I undid the rest of my dress and let it fall off my shoulders, I unzipped his trousers and gasped as his cock sprang into my hand. It was huge, the biggest I'd ever seen, and a little dew-drop of pre-cum was nestling at its tip as if promising the full load. He came up for breath, mumbled, "Yeah..." and then lay down and moved me so I was straddling him in a classic 69.

As I took his cock in my mouth, it throbbed and juddered, and when he spread my pussy lips and lifted his eager tongue to my dripping hole, I almost exploded with pleasure. He seemed to know exactly what I wanted, and when he moved up and made light circular movements around my clit, wave after wave

of orgasmic ecstasy burst through my body. Just as I was about to cum, he'd slow down, so I felt as though I was on a rollercoaster of lust. And when he allowed his tongue to wander away from my pussy and up the crack towards my arse, I almost exploded, and had to hold my hand over my mouth to stop myself from screaming the place down.

"Here," he said, and with one deft movement he put his arm around my waist, turned me onto my back and before I knew what was happening, his incredible tool was deep inside me, thrusting so deep and true that I felt I was about to burst.

He lifted my legs high and wide, my arse rose to meet him, and he lowered his head to my breasts and started to suck, first one and then the other until the first wave of orgasm started to flood my body, and I shook and squeezed and raked his back with my nails. When that had passed, I felt the next one coming and reached down to rub my clit. This seemed to excite him to new heights, and as he tipped his head back, I felt his cock judder inside me and my cunt started to fill with his hot jizz. And when I say hot, I mean hot, and as his thrusts deepened and I gripped him tighter, he groaned with pleasure, pulled his cock out and spurted the last load over my breasts.

Hungrily, I smeared the cum over my nipples, and as he lowered himself to allow me to drink the final drops from his gorgeous tool, he said, "Did overtime ever feel this good?"

"I don't think so," I said... I've been doing quite a lot more 'time and a half' lately.

Josie, Hampshire.

Over a cup of tea and a biscuit, we were joined by Bexie Williams, the leggy model who's been gracing the Daily Star with her crowning teapot lids. Bexie was all fun and giggles as she told us "I can't believe how quickly last year went and how much happened. My modelling career seems to have taken off!" It certainly has, as have all your clothes! ♣

- THE PAUL RAYMOND - AWARDS 2 0 1 5

On Bonfire Night we celebrated the greatest girls (and a few blokes too) from another fantastic year at the Paul Raymond Awards. And then we drank some vodka and wrote this...

The great, the good and the staff of Paul Raymond Publications gathered at Cafe De Paris in Leicester Square, London, for the 3rd annual Paul Raymond Awards. Bigger and better than ever before, this year's bash was hosted by British comedian Dapper Laughs alongside 2014 Paul

Raymond Girl of the Year, Lexi Lowe, and saw the top stars of the adult industry picking up well deserved awards. With sponsors including Studio 66 TV, Platinum Lace Gentleman's Club, Tease-X, Percy Publishing, Adult Stars and more, the party kicked off with a bang (well a few indoor fireworks)! With Stella Cox winning the top prize and a whole host of other glamour girls and performers in attendance our loyal magazine readers were in dreamland as they mingled with the stars. Then the booze kicked in and the events that followed are somewhat hazy.

Miss Taylor has been aiming her darts straight and wouldn't you know she's only gone and hit the bulls eye with this cracking set. The international model popped into our studios recently after being on set with the stunning Stella Cox and told us a few tit bits along the way. "You'd never believe all the antics we get up to on set, sometimes I wonder how we ever get anything done!" said Adele. Now that's more than enough to get our imaginations going... ♣

OFF YOUR HEDONIST

Want some fillums? Then how about these!?

Legend

(DVD £9.99, Blu-ray £14.99)

The often-mythologized Kray twins jumped straight out of East End folklore and onto our screens, in this chillingly deadpan adaptation of the campaign of violence and terror they installed across London at the height of their notoriety; before it all inevitably unraveled.

Writer and director Brian Helgeland (*L.A. Confidential*) deployed poker-face sarcasm, emphasizing the menacing presence of the twins, which works beautifully when a rival Richardson gang member arrives at their cafe and manages to walk away unscathed. Albeit you could be reminded somewhat of the Monty Python Piranha Brothers sketch. This dark underworld, however, falls on an unlikely narrator Reggie's first wife, Frances Shea (Emily Browning), a fragile creature that contrasts starkly with Reggie's brutish nature. She tells us their story with love laced lines and large gaps. But the whole film manages to stand up on the immaculate double performance from Tom Hardy as both twins and appears to be it's saving grace.

Despite the fact that instead of leading you away from the Folklore, Legend seems happy just to lay back and feed off the zeitgeist of the Kray's rather than grapple with the heart of the story, it is an interesting watch if at some points predictable.

The Kray's always longed for the spotlight and here they have it.

Straight Outta Compton

(DVD £9.99, Blu-ray £13.00)

Straight Outta Compton is a film of two halves. The first half of F Gary Gray's biopic on gangsta rap is inspirational. Opening in the late 1980's in the disadvantaged streets of Los Angeles where crime, drugs and shootouts are common; there forms hope in the collective N.W.A (Niggaz With Attitude), whose core founding members Eric 'E-Eazy' Wright, Andre 'Dr. Dre' Young and O'Shea 'Ice Cube' Jackson, from the moment they lay down their masterpiece 'Fuck Tha Police' change the face of music. The second half, evidently played safe sees the breakdown of the collective and some shady goings on, but begs the question, where is the misogyny, the infighting and homophobia that's widely documented in the group? You don't have to be a rap enthusiast to enjoy this film.

Camp X-Ray

(DVD £12.99)

Camp X-Ray, director Peter Sattler's captivating first feature echoes the warring feuds of fair Verona, but this divide is much greater than that of the families in Romeo and Juliet. It is story of two people, on opposite sides of a war, fighting to find their way through the ethical dilemma of Guantanamo Bay. Kirsten Stewart's performance as Private Amy Cole is underrated, as the newly posted guard at Guantanamo charged with prison rationing and library detail. It is through her duties that she forms an unusual relationship with detainee Ali (Peyman Moaadi); it is a bond that changes them both bringing to light the moral implications of Guantanamo and the dehumanizing effects it has on both sides of the cell.

iPad mini 4

www.apple.co.uk

Recently Apple's been marching out products, but this one may have just escaped beneath the radar as it was launched at the same time as its cousin the iPad Pro. So just in case it had slipped pass you here's a few things the little fellow has to offer. Apple's classic design is looking as smart as ever and weighing in at only 298.8g, it's light enough to feel like a phone but with a 4:3 ratio screen. Unfortunately, it only has an A8 chip which gives it about as much boot as an iPhone but Apple has packed in more RAM which speeds things up a bit. The 8MP camera is adequate for a tablet and the current operating system iOS 9 handles intelligently yet simplistically. A pocket rocket to be proud of.

Panasonic TX-65CZ952 TV

How does remortgaging your house to buy a TV sound? Utterly staggering? But after experiencing the picture quality of the 65CZ952 you may just seriously consider it. The price tag sends alarm bells ringing, but there is nothing that even comes close to the immersive picture delivery on the current market. It's slim, the stunning design feels powerful and sleek plus it boasts all the usual, 4k Pro, integrated wifi, multimedia playback support from USB and DLNA capable devices as well as a suite of online services. One small pip is the sound quality, which is only fair-to-middling but apart from that Panasonic has created a movie fanatics wet dream.

Moto 360 2nd Generation

www.amazon.co.uk

The original Moto 360 smartwatch proved popular despite its flaws. Motorola has worked hard to correct the second generation 360. Thankfully the latest 360 has kept a similar design. It's round, lightweight with a choice of colours and sizes and a clock interface that really does bring back the good old days (they may be digital but there still hands). The hardware is up to date with a Qualcomm's Snapdragon 400 chip, 512 MB RAM and a 1.2 GHz quad-core CPU, but the battery isn't that impressive, estimated only at around 1.5 - 2 days. Of course, it does the norm in sensors, gyroscope, heart rate sensor and accelerometer but doesn't have GPS. Currently, this is a real alternative for iPhone users with built-in iOS support to. So, in a nutshell the new 360 is comfortable, stylish, charming and useful.

DANI ♣

Danielle Maye is more than capable of bringing a little Spring to our winter and as a regular Club girl we couldn't imagine a first issue that didn't feature the divine Dani in all her glory. Plus we were also starting to get withdrawal symptoms as she's been very busy with TV recently. But we managed to pin her down for a quick chat at our studios.

Are you making any New Year's resolutions this January?
"I don't normally but I will this year. I decided I've been to much of a good girl recently so next year I'm going to be naughtier than ever!"

Amen to that. ♣

ELLE 

Like everybody else in January, the Paul Raymond offices suffer from the post-Christmas blues. Gone are the merry evenings quaffing vino and pigs in blankets and now the long stretch to the first bank holiday begins. So we thought we'd cheer you lot up, and ourselves with the dishy redhead Elle Alexandra from over the pond. With all those red locks, she warmed up our cockles a treat! ♣

"Harmony Films presents a stunning array of Asian beauties in this captivating, arousing feature. These slender, elegant sluts take huge cocks into all their holes, stretching their tight pussies and asses to the max!"

Courtesy of Harmony Films

Verdict: This could be the taste of the exotic you've been looking for, with the delicate Sharon Lee opening the first scene it showed promise from the off, and we weren't disappointed. From start to finish, of which there were many for us, each scene delivered a smorgasbord of dick docking action, as these hot Asian chicks get royally plugged. Lady Mai and Jayden Lee really grapple with all the meat being flung at them as they were stretched to the max. The only downside is I did come away fancying a spot of Thai to eat out.

Verdict: What a dark roller coaster of sexual indulgence that really does have the gothic vibe down to a bloodthirsty orgasm. Well, there's pussy a plenty in this follow-up, that has the vamperotie ramped up to full blast. You could say poor unsuspecting mortals, but trust us when we say they weren't complaining though we're not sure if they could see what they were in for with all that spooky smoke swirling around.

...all through the night!

Los Angeles has got more than a sunny climate these days as we discover Anastasia Black nestled between it's blocks; so recently we took the chance to hear what's she's been up to.

"Wow, what a question. Well, recently I shot this amazing movie on the back of a bus where I took this guy fully in every hole I have!"

I bet that must have been an enjoyable sight?

"One guy couldn't keep his eyes off me, talk about indiscreet peeping."

To be fair, I think we'd have trouble tearing our eyes away if you were riding our bus too. ♣

SLIT BANG

I had known before we started dating that my boyfriend, Martin, was a shit, but like most naïve girls, I thought I could change him. He'd always had a bit of a reputation as a ladies' man, but I foolishly thought that as long as I was an utter slut at bedtime, I'd be able to keep him to myself. God, how wrong was I?

Of course, he was good as gold for the first few months, but then the late nights at work and nights out with the lads started cropping up more frequently, and I began to smell a rat.

In the end, I did the bunny boiler thing and stalked him at work one night. Martin works as a shift supervisor for a cleaning company, so keeps odd hours at the best of times.

I knew that he would be working in the City at a brokerage house near to the bank I work at. So, after a meal with some girly friends and a few drinks, I headed along to see if I could catch him out.

Getting into the building was no problem since one of the other cleaners was working in the foyer

and could vouch for me with the security guard. I tipped the lad with the polishing machine a tenner and asked him not to tell Martin because I wanted to surprise him.

Martin was up on the 10th floor, apparently, so I headed up to the ninth floor on the lift and used the stairs to sneak up to the next level. To my surprise, the floor was dark, and there wasn't a single vacuum cleaner to be heard. Maybe I'd misheard the cleaner? I carefully walked around the corridors, unable to see anything moving at all until a sound caught my attention. It was one I recognised: the sound of Martin's grunting as he fucked.

I felt furious and sick at the same time and tip-toed over to the glass office wall where the noise was coming from. Peeking around the corner, I looked in and saw Martin on his knees, servicing a woman from behind. She was obviously one of his contract cleaners (I could tell by her outfit), and from the way the sweat was dripping off Martin's back, they'd obviously been at it for a while. I stood there, stunned, humiliated and hurt by the scene before me. I wanted to walk right in and kick him square in the balls for what he'd done to me, but I couldn't. I was rooted to the spot, mesmerised by the scene before me.

From my position, I couldn't see the girl Martin was so enthusiastically fucking, so I moved around slightly so that I could get a better view of her. She was a pretty little blonde thing, probably only about 20, so at least five years my junior. I bitterly wondered if that's why my shitty boyfriend had gone for her: the bloom of youth and all that. Cunt. Her tits were very large for her small size and swayed back and forth as Martin pistoned into her. Clearly, her unattractive overalls were getting in the way, because Martin paused briefly so she could remove them fully, and I got a much better view of her as she stood to take them off. For starters, she was wearing black hold-up stockings (hardly the right outfit for industrial cleaning) under her overalls, and her matching thong and bra were cast to one side on the floor. It seemed obvious to me that if she was dressing for the occasion; then this wasn't a one-night stand. What

“Martin held his member in one hand and wiped his glans up and down the length of her slit”

troubled me most, though, was the fact that I found the whole thing rather exciting. My heart was fluttering, and I had that warm sensation in my groin. I was becoming aroused watching my boyfriend's infidelity, and that bothered me.

The slut got back down on her hands and knees and Martin shuffled into position, his trousers still round his ankles. Very classy. From where I stood, I had the perfect view of his rock hard cock, still wet with her pussy juices, as he nudged his helmet towards her bald cunt. Martin held his member in one hand and wiped his glans up and down the length of her slit, but just when I thought he was going to ram it inside her, she looked over her shoulder at him and muttered something. Taking her lead, Martin moved his prick further up and as my mouth opened in amazement, he gently pushed his cockhead into the tight pink ring of her anus. As his helmet penetrated her, she threw her head back, her blonde hair cascading down her back and her hands clenching into little fists. Almost instinctively, my hand slipped under my skirt and grazed across the gusset of my panties. As I suspected, it was already wet, and I gave in to the urge and eased a finger under the material and slid it inside my cunt, dragging my palm over my stiffening clitty.

Martin got ambitious now and stood up in a crouch so his balls dangled over his slut's arse cheeks as he fucked her. I was stunned to see how hard he was fucking her arse; driving it all the way, deep inside her and then pulling out until his glans almost slipped out, before powering it back up her arse. She obviously enjoyed it, though, because it wasn't long before she reached underneath

“She reached underneath herself and started ramming a couple of fingers into her wet cunt ”

herself and started ramming a couple of fingers into her wet cunt in time to his thrusts. I copied her, timing my own wank to her vigorous movements, rubbing my clit as I fingered myself, my panties soaking up more and more of my juices.

I knew Martin couldn't hold out for long like this (through experience!), and sure enough, within a few seconds he yelped that he was going to cum. I wasn't sure what to expect next, but I certainly didn't imagine the porn film scene that I was about to witness. Martin pulled his prick from her gaping bumhole and waddled round to her face. She eagerly grabbed his twitching cock and guided it into her mouth. Martin then fucked her face for a few strokes as her cheeks hollowed and puffed, finally grunting and firing his load deep down her throat. As if to prove it, as his softening cock slid out of her mouth, she opened her mouth wide and grinned at him, showing that she'd swallowed his load.

Martin kissed her, and as he pulled his

“Gemma’s tongue wormed its way inside my twitching hole and she ran her teeth over my clitoris.”

trousers on, I came up with a plan. Moving down the corridor, I rang his mobile phone and faking tears, told him I’d been mugged, and that he’d better get down to the A&E right away. Sure enough, within five seconds, Martin flew down the corridor, tucking his shirt in as he went, and jumped into the lift.

‘Serve the bastard right when he gets there and I’m not around’, I thought.

And then I had another thought. I still hadn’t cum, and my burning cunt needed relief. Fuck it, I thought and walked right into the office where the little cleaning slut was drying her wet cunt with some tissues. She jumped up as I walked in.

“Don’t bother, love,” I told her. “I’ve just watched my boyfriend fuck you in the arse, so it’s not like you’re showing me something new.”

At that, she was speechless, so I took control, which is what I’d wanted to do.

“He’s good, isn’t he? Did he make you cum?”

She nodded and then shook her head.

“What’s your name?”

“Gemma,” she whispered.

“Well, Gemma, from what I saw, you’re a dirty little bitch, aren’t you?”

“I don’t want to get into a fight about this,” she murmured, looking around to see if anyone would come to her rescue.

“Martin won’t be back for a while,” I smiled, mischievously. “I told him I was in casualty.”

“What do you want?” Gemma almost whimpered.

I held up my short skirt, showing Gemma my wet knickers. “Guess,” I told her.

At this, Gemma’s face almost broke into a grin, and she dropped back to her knees, casting her overalls to one side and came towards me. Gemma pulled my panties down my thighs, burying her face in my bush and started gently lapping at my soaking cunt. It wasn’t the first time another girl had eaten my pussy, but it was definitely the horniest. My knees trembled as Gemma’s tongue wormed its way inside my twitching hole and she ran her teeth over my clitoris. Looking down, I

was even more turned on to see her hand disappear between her legs as she played with her own cunt.

As Gemma’s tongue started to fuck me in a slow, powerful rhythm, I felt the muscles of my cunt tighten as a wave of pleasure flowed through me, confirmed by Gemma’s moans as she came off at the same time. I thought that would be the end of it, but Gemma continued to lick my pussy until the spasms had subsided, and then wiped me dry with some tissues. I was half tempted to return the favour until I remembered my place in this ‘relationship’.

Straightening my clothes, I turned to her and snatched the thong from her hands as she was about to put it on.

“We should do this again,” I told her, and Gemma turned to the nearest desk and jotted her mobile number down on a scrap of paper. “Call me. Anytime, really. I’d love to do that again,” she sort of smiled. “Why do you want my panties?” she asked.

“I’m going to put them in Martin’s jacket pocket later tonight, to keep him on his toes. Oh, and you can keep seeing him if you like, but I’ll expect the same treatment whenever I want it, and I might do the same for you, too, one day.” I told her.

So I now have a panicking boyfriend who can’t do enough for me, and his dirty little slut ready to eat my cunt whenever I want it. Who said cheating boyfriends are all bad?

Janey, London.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PAYBACK PUSSY

I'm writing to tell you about the best fucking sex I've ever had! Last month my mate George and I were in the pub when he mentioned that he was seeing this divorcee who was really into dirty sex and loved porn.

She was in her 30s, had a fantastic body, lived in a swish flat uptown, and loved dressing up in sexy underwear and doing whatever perverted fantasies George could think up. He'd fucked her in the car, in a lift,

on a train, she loved taking it up the arse and supposedly got a kick from going out in short skirts without knickers and then flashing guys in bars or clubs while my mate stood by and watched her.

He'd been going out with her for a couple of months, and I was getting fairly pissed off hearing about his horny antics all the time, as I hadn't had a shag for about seven months and felt as frustrated as hell. Last Saturday he told me that Gloria wanted to get back at her

“She sucked George’s knob between her lips and slurped up and down on his shaft, looking into the lens”

stuck up ex-hubby who had treated her like shit.

She had devised this scheme whereby she’d make a dirty film of herself getting well and truly fucked by some big cocks, then send him the video to make him as jealous as hell and show him what he was missing. It was at this point that George asked me if I fancied taking part. Well, I immediately said ‘yes’ and we arranged to make our epic masterpiece the next day.

Gloria was indeed glorious! Big tits, nice round arse, long black hair and an incredible pair of legs that were already encased in sheer black nylons when we arrived at her flat, along with a leather mini-skirt, high heels and a half-open silky blouse. I was dead nervous to be honest, and happily necked half a bottle of wine as Gloria chatted to me on the settee while George set up his digital camcorder.

“We gotta wear masks,” George suddenly said, tossing me some bizarre Batman headgear complete with ears. He put on his Spiderman mask and I burst out laughing but stopped abruptly when Gloria pulled me towards her and stuffed her tongue in my mouth, groping in between my legs at the same time.

I could hardly catch my breath, so frenzied was her snogging, but my dick leapt to attention as she squeezed it through my trousers and I yanked open her top and began to caress her tits. “Great Paul,” George said, “Get his dick out, Gloria, and start looking at the camera.”

Gloria unzipped my pants and eased out my rigid prick in one deft movement. She slowly began to masturbate me as I tweaked her nipples and looked up for the first time. George’s cock was already in his hand, and he left the camera and stood beside the settee, stroking his enormous meat against Gloria’s cheek.

“Hello, darling. I thought you might like to see how I spend my time now you’ve gone” Gloria purred, looking directly at the camera. “This is a lot bigger than your pathetic prick, baby, and it tastes so much nicer.” At this moment, she sucked George’s knob between her lips and slurped up and down his shaft while staring straight into the lens.

“This one can lick my cunt better, too,” she moaned between mouthfuls and pushed my head down between her legs. She parted those heavenly legs, exposing a neatly shaven twat that was already oozing love juice. I thrust my tongue as far up her hole as

“She pushed her arse against my dick and it disappeared deep inside her.”

I could, and gripped her stockinged thighs for support; my stupid mask nearly came off as she carried on speaking to her ex. “Mmmm, that’s good. Tongue me, lick me, swallow my cum while your friend shafts my mouth,” Gloria groaned into the camera like a whore.

I desperately wanted to fuck her and clambered to my feet, my cock jutting out obscenely as Gloria turned around on the seat and presented her arse to me. Geez, what a sight! ‘Forget her pussy’, I thought to myself and pressed the tip of my cock between her buttcheeks. “Look, honey,” said Gloria, “He’s going to shove his prick where you were never allowed to, and I can’t wait.” She pushed her arse against my dick and it disappeared up inside her as she continued to suck George while he played with her swinging boobs.

“Both of you fuck me now,” she said, and I pulled out of her arse and sat on the settee, as she climbed on top and eased my tool up her gooeey slit. George went behind her and pushed his cock in her gaping rear and began to butt fuck her like crazy. I could feel his pumping dick as I humped her gash in time with George. “Look at me, baby. Two big pricks spreading your wife’s fanny and arse at the same time. Yes! Ooooh, I’m cumming! Yes!”

Gloria yelled like a Banshee as she came all over my thrusting muscle, and George grunted as he shot his load deep up her arse. “Bet you wish you were here now, loser.” Gloria sneered, as George pulled out and she held her cheeks apart so her ex-hubby could see the thick spunk dribble out of her butt onto the floor while I continued to hammer away. Gloria climbed off me just as I came and directed my stream of cum all over her fat knockers, catching some of it in her mouth.

“That’ll teach him,” she said as she went and turned off the camera. “Now, take those bloody silly masks off and fuck my brains out.”

Suffice to say we did, over and over again until morning and till this day her old man still has no idea who was screwing his missus!

Paul, Glasgow.

HEATHER ♣

A full-page photograph of a woman with long, wavy brown hair, posing on a black metal chair. She is nude, with her hands resting on her thighs. She is wearing black high-heeled sandals with white polka dots. The background is a bright, outdoor setting with green foliage and white structural elements.

Here at Club, we recently had a letter from Jason, Derbyshire, enquiring about a particular lady and set from Men Only 79.09. Now we're not prone to bursts of sentimentality but it was such a nice letter and there was mention of an upcoming birthday, so we asked the Club Genie to grant your wish for a second sighting. Unfortunately, it wasn't quite a lamp rub away, but after a lot of rummaging, we managed to track Heather down. So here's some MILF madness for the pot and we're wish you a very Happy Birthday Jason! ♠

HEATHER 

What our well-placed moles are telling us this month...

DOWN THE WIRE

Waffle Off!

A man of few words always has our admiration and this guy certainly didn't waffle on. Mitchell Harris Feinberg, 39, let a Waffle House in Brookhaven, Georgia, feel his fury, after receiving his bill Feinberg notice a €50 price hike on his beloved sausage biscuit, taking the total purchase price to \$1.50. CCTV shows Feinberg throwing his bill to the floor and storming out of

the premises, kicking the door on the way out. Unfortunately for Feinberg the glass shattered and he pegged it, only to be pick up by police later on nearby. What a silly sausage!

Trekkie Deckie

What a load of rubbish, well at least we thought so. 50-year-old Carlo Cerutti is thought to have been defending his wife when an argument with a neighbour over dumping rubbish escalated. Cerutti, an avid Trekkie, reportedly unleashed a Klingon bat'leth (to you and me that's a large sword like weapon with multiple blades) and began swinging the weapon wildly. The victim was able to disarm Cerutti but

allegedly fell off his porch in the process. You won't be able to live long and prosper if you carry-on like that.

No Tea Tiger!

Feeding time at the Primorsky Safari Park, Russia, turned out well for one plucky little goat after being placed in the enclosure of a Siberian Tiger. After the initial circling and pre-attack moves by the Tiger, it was thrown into confusion when the goat advanced on it bearing its full head of horns. The Tiger was forced to put down his knife and fork and apparently gave up its normal sleeping spot as

the goat had taken a fancy to it, but an extraordinary friendship appears to have blossomed between the two creatures as they now follow each other everywhere. Let's hope they don't start sharing lines as well.
